# First impressions count!

*Your signs are your advertisement to the world.  
They are the first thing your visitors will see.  
Your signs need to project the right image.*

#### Aluminium Panel Colours

We produce a huge selection of signs, ranging from: Main Entrance Signs, Door Signs, Safety Signs, Banners, Pavement Signs through to Posters and Stickers.

Please ask us for our full catalogue.

We now offer Anti-Vandal Film to help to protect your new signs from vandalism and graffiti. Fitted at manufacture, at a small additional cost, this clear film helps to keep your signs looking good for years to come.

At Elementary Signs we are at the forefront of producing environmentally friendly signs. The majority of our products can be easily recycled and have a low carbon 'footprint'.

Our signs are supplied complete with all necessary fixings and for your children's safety are supplied with radius corners and colour capped screws.

Our signs are so simple to install

Create Awareness and Continuity around your Campus

## Your Children's Safety is important to us

We produce warning and informative signs that are designed to advise and inform people in and around your site. We have a wide range of standard safety and traffic signs or if you do not see the sign you want, just ask us to design it for you at no extra cost.

Just phone, fax or email your ideas to us and let our designers do the rest.

## We're here to make ordering your new signs easy.

- Order by Phone, Email or Fax
- Easy Logo & File Transfer
- Interactive Website
- Delivered direct to your door
- Full Design Service & Advice included
- Proofs supplied before manufacture
- Price match policy, so we won't be beaten on price
- Installation Service Available

(Our in house installation team are CRB checked for your peace of mind.)

### Premium Noticeboards

Mounted onto a 3mm aluminium panel giving you the added advantage of displaying your name, crest, logo or text.

Our noticeboards can be wall or post mounted.

- Choice of 6 styles & 16 colours
- Anti-Vandal
- Weather resistant
- Lockable
- Radius Corners
- Fixings supplied

Fingerpost Signs

Value Noticeboards

## Holding a Sports day or an event that you need to advertise?

Our Banners are by far the best way to advertise your special event.

Manufactured in heavy duty nylon reinforced pvc, complete with brass eyelets and with your design, text or message printed to the face. They are made to last.

## Hanging & Projecting Signs

Rigid Projecting Signs and Hanging Signs in aluminium and with steel brackets, available in a range of shapes, sizes and colours.

Designed to be attractive and to get you noticed.

## Directory Signs

Directory signs are ideal to direct both visitors and students around your site.

Usable for both inside or outside and with an 'anti tamper', changeable insert system, these signs are available in a range of sizes from simple door signs up to multi sectioned signs through out the corridors and walkways of your Campus.

## Premium Wall & Door Signs

From Wall Signs to Door Signs, in extruded aluminium, acrylic, f.p.v.c. or engraved plaques to give a prestigious look. Elementary Signs does them all.

Just tell us the style and colours that you need and the text, name or message to go onto your new signs and we will do the rest.

## Pavement Signs

All of our Pavement Signs are built to be used inside or outside and are completely weather resistant.

We offer a complete range in u.p.v.c. and in steel, many with changeable poster display ability and some with a separate panel for your Name, Crest, Logo or Text.
