Standard Fingerpost Signs

Manufactured using 3mm solid aluminium to form 'Fingers' that are 750mm x 165mm to the tip of the Chevron, mounted onto extruded aluminium posts with a flat or a Ball Finial capping and painted all round to any standard Ral or B.S. colour, these signs are really built to last.

Your text or message is applied to both faces of each 'Finger' and they are available in combinations with 1 - 6 'Fingers' to each post. The fingers are fully adjustable and are locked into position by hidden hex grub screws.

Our AS980 Finger Posts are manufactured using 16mm extruded aluminium 'Fingers' 750mm x 165mm to the Chevron end, mounted onto extruded aluminium posts with a flat or a Ball Finial capping and painted all round to any standard Ral or B.S. colour.

Your text or message is applied to both faces of each 'Finger' and they are available in combinations with 1 - 8 'Fingers' to each post. The fingers are fully adjustable and are locked into position by hidden hex grub screws.
