

## Standard Value Notice Boards with Headers

Constructed using exactly the same notice board unit as our premium ranges, our 'Value' Notice Boards & Display Cases offer extremely good value for money. They are robust, stylish and made for use in Schools, Colleges, Uni's and all high usage or public places.

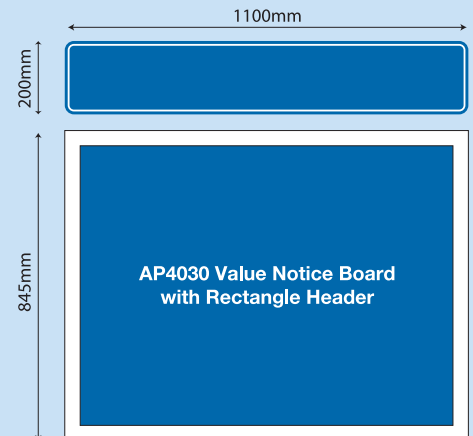

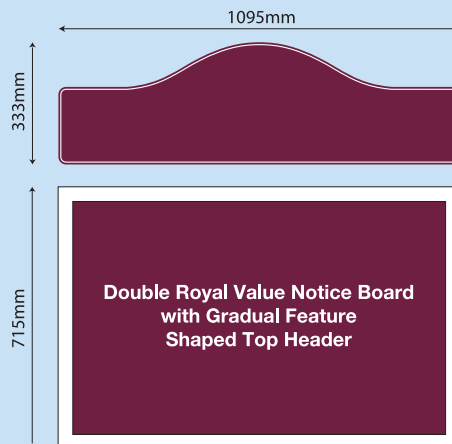

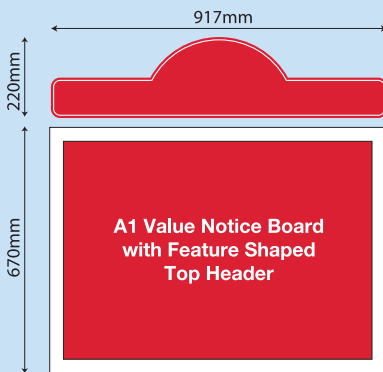

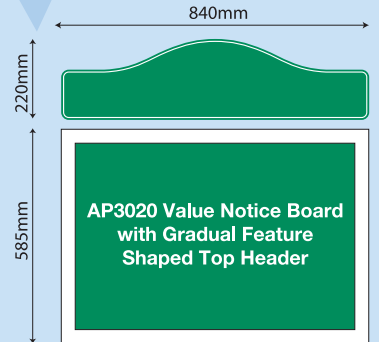

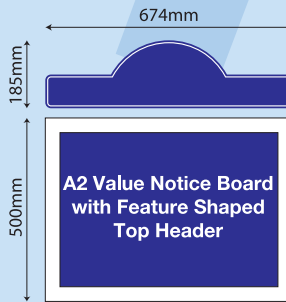

These notice boards are designed to look good, be safe and to last. They are constructed of solid aluminium and have welded corners and joints. The clear front cover is almost unbreakable 3mm polycarbonate, the door is secured with security barrel locks. There is a separate header available with school name and logo to personalise your noticeboard, if required.

Supplied with a matching colour internal felted pin board or with a dry wipe or magnetic option, these notice boards are offered as wall, railings & fence or post mountable versions.

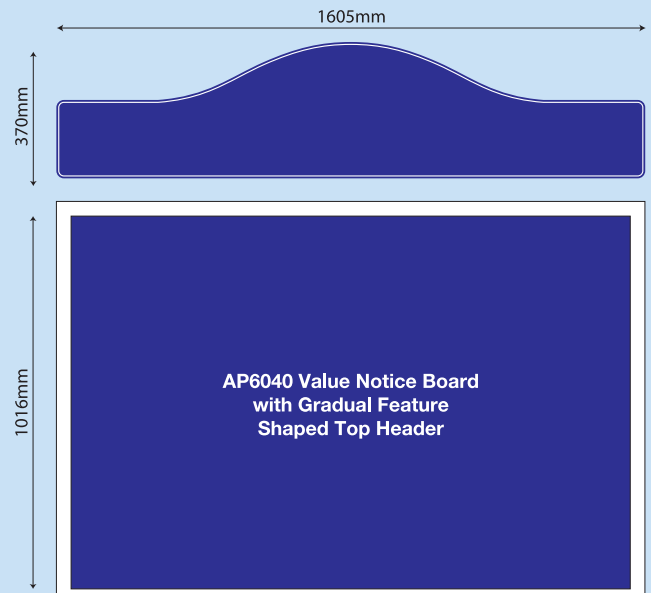

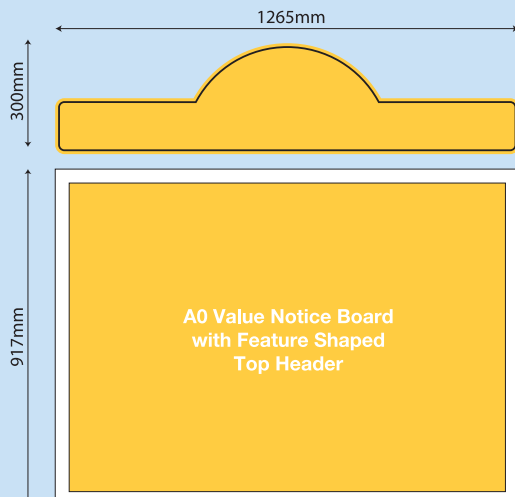

The individual notice boards are available in a range of sizes.

*Add anti vandal film to help protect your signs.*

*For colours & shapes see our data sheet.*
